

Culcheth High School - September 2024

Welcome to the newsletter of September 2024 edition.

In this edition the school has taken some steps in the area of CSR activities. Many volunteers from the school, teachers and principal participated in the drive.

The school has also made tie-up with Harvard Tech education for AI and ML. Once in a month, we'll have virtual meet-ups with the Harvard faculty so that our students gets best-in-class knowledge.

We have also upgraded our computer labs.
